

AFRICAN AERIAL SAFARIS

EXCLUSIVE VILLAS

EXCLUSIVE VILLAS

The best holidays are the ones that give us a break from the hustle and bustle of modern-day life. They recharge our bodies and reconnect us with loved ones, while providing unique experiences and culinary delights. They are about sharing stories at the campfire, laughter around dinner tables, incredible sightings on game drives, spectacular sunsets, and creating lifelong memories. These moments are precious, and to experience them fully, exclusivity is paramount!

Our Private Villa Safaris were introduced with precisely this in mind. Located in some of Africa's most pristine wilderness locations, completely removed from the heavy footfall of tourism, they provide luxury and exclusivity. Your group will have access to around-the-clock services of a dedicated guide, game drive vehicle, butler, and chef, ensuring that your day is designed to your schedule alone. Add the ease of seamless luxury private aircraft connections between the villas, and the table is set for an unforgettable experience!

With your preferences and requirements guiding us, together, we select some of the most exclusive villas in Southern Africa. *Relying on 30 years of aviation experience, we select the best suitable aircraft to connect you to these remarkable destinations.*

COLORS OF THE SPIRIT"**

LUXURY PRIVATE AIRCRAFT CONNECTIONS

The use of private aircraft to connect the villas ensures convenience, luxury and comfort, providing an exclusive stress-free travel experience.

One key element of our Exclusive Villa product is the selection of aircraft when planning the itinerary. We consider a wide range of factors, including flight times, the number of passengers, airport facilities and runway conditions when deciding which aircraft type to use on each flight. Experience is vital when making these decisions. With over 25 000 flying hours between the owners, you can rest assured that the optimum aircraft type is used on your Exclusive Villa holiday.

PRIVATE LOUNGE FACILITIES

We offer private lounge facilities at our hubs at Johannesburg, Lanseria and Cape Town International airports. These complement the overall exclusiveness of the holiday, ensuring a carefree travel experience from day one.
